Venue: Room no. 614, Mechanical engg Building

With reference to the mail dated 09/03/2023 from Gujarat Technological University, (IQAC), regarding “Guidelines to Register the Students in Academic Bank of Credits (ABC)”. Based on this instruction, one session was arranged on “Discussion on Implementation of Academic Bank of Credits (ABC)” at our institute by IQAC committee.

The agenda of the meeting was as follow.

1. To discuss the basics, impotence, need and features of Academic Bank Credit
2. To prepare the plan of implementation Academic Bank Credit at our institute
3. To discuss the detail procedure of Academic Bank Credit
4. To discuss the role of HEIs

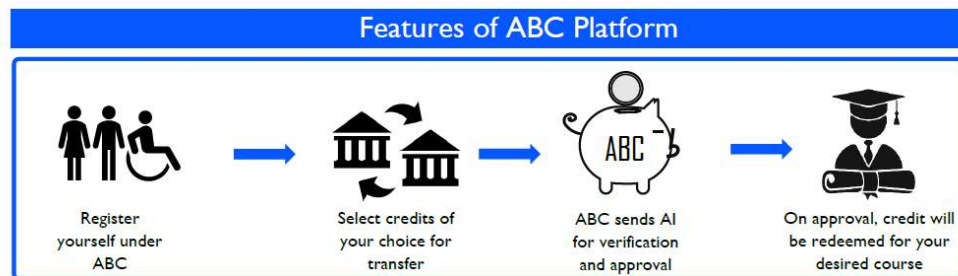

Welcome address and introduction of the institute:

Dr. H G Chothani, institute IQAC Co-cordinator warmly welcomed all the faculty members and departmental ABC coordinator. Dr. Chothani discussed role of HEIs to implement the ABC for the horizontal mobility at the institute.

Detail Presentation:

Prof. N.R.Tank had discussed the ABC based on Video presentation of UGC chairman Dr. Jagdishkumar.

The “Academic Bank of Credits” (ABC) is an educational digital platform created to facilitate students’ seamless mobility between or within degree-granting Higher Education Institutions (HEIs) through a formal system of credit recognition, credit accumulation, credit transfers, and credit redemption in order to promote distributed and flexible teaching and learning. The ABC platform will provide students with the opportunity to register for a unique ABC ID, an interactive dashboard to see their credit accumulation, and options to begin a choice-based credit transfer mechanism. In addition, the student self-registration module will enable accurate identification of candidates who want to check and transfer their credits depending on their needs.

Importance of ABC:

- Registration for a unique ABC ID (which can be shared between Academic Institutions for any course)
- Viewing of total credit accumulated under one window
- Selection of multiple credits of convenience for transfer or redemption
- Viewing of the Transfer request status
- Reinitiating credit transfer at their conveyance.

Registration procedure of ABC:

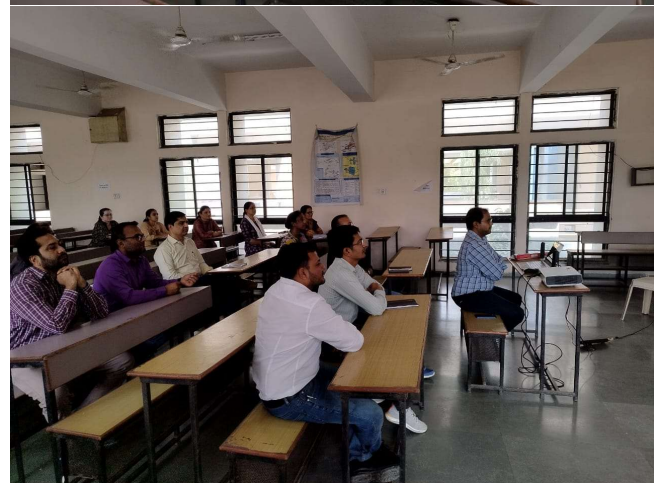

Prof. Punit Trivedi explained the detail registration procedure of ABC through different gateways.

Vote of Thanks:

Dr. H. G. Chothani proposed the vote of thanks to the all faculty members and the meeting was terminated with road map of implementation of ABC at the institute.

What is ABC and How it is Works?

• ABC is national-level credit-based, highly flexible & Student centric digital facility for students to store their academic credit*

- credit-accumulation = Student earned credits
- credit-recognition = HEIs upload earned credits on ABC student a/c
- Credit transfer = Mechanism to transfer credit
- Credit-redemption = credits will be debited from account

*1 credit = 1 Hr. theory/tutorial, 02 Hrs. laboratory work, per week during a semester

What are the advantages of ABC for students?

- Horizontal mobility across the HEIs in the country
- Freedom to choose courses of their choice
- Enroll in the HEIs of their interest (provided fulfilled admission criteria)
- opt for the teachers from their choice (in case of online programs/Nation Digital University from June-2023)
- Tailor their degree or make specific modifications or specializations rather than undergoing rigid, regularly prescribed degree (NDU)
- Multiple entry-Multiple exit
- Life-long learning in both full-time and part-time modes, including SWAYAM, NPTEL and V-LAB.
