1. PREAMBLE

ॐ अपवित्रः पवित्रो वा सर्वावस्थां गतोऽपि वा ।
यः स्मरेत्पुण्डरीकाक्षं स बाह्याभ्यन्तरः शुचिः ॥

The meaning is: The one who is impure or pure or even in all other conditions, one who remembers Pundarikaksha (another name of Lord Vishnu) becomes pure outwardly and inwardly.

Looking to the above message from one of the oldest literature of Indian Culture, the cleanliness has always been part of one's inherent habit, whether internal or external. Keeping the above and following the Prime Minister's clarion call on 2nd October 2014 for each individual to devote at least 100 hours to Swachhata through the year, the Ministry of Human Resource Development in association with the Ministry of Drinking Water and Sanitation has launched the '**Swachh Bharat Summer Internship – 100 Hours of Swachhata**'.

The program aims to:

- Develop the skill and orientation of youth for sanitation related work
- Bring youth across the country an opportunity to make a significant contribution to the **swachhata revolution**
- Integrate youth in the community service in rural areas in the run up to the 150th birth anniversary of Mahatma Gandhi

5. CONCLUSION:

The Swachh Bharat Summer Internship-2018 is an internship with the vision of generating contributive personality from inside and resulting into actual and active contribution towards society. The internship carried out throughout the above tenure satisfied the same. In addition, skill and orientation of youth for sanitation related works were performed door-to-door, with the motto of making “Beware” to make “Be aware”. The available household data were also collected to know the exact situation of village and its status of cleanliness. The planned activities were performed along with additional activities so that active contribution can be prolonged throughout the internship and even after its completion. The villagers were well behaved, polite and contributive enough, which led to the successful beginning as well as completion of the internship.

Finally, as the conclusion, the above picture speaks everything by itself, which are the comparison of “Before the internship” and “After the internship” status of the selected area of village. Hence,

उद्यमेन हि सिध्यन्ति कार्याणि न मनोरथैः ।
न हि सुप्तस्य सिंहस्य प्रविशन्ति मुखे मृगाः ॥

The meaning is: **Work gets accomplished by effort, industry, not merely by wishing.**
